

THE TILLER FOUNDATION

UED (unimprinted electronic device) WARRANTY AND RETURNS:

- All UED sales are final unless defective.
- UEDs have a 60 day warranty from date shipped by The Tiller Foundation.
- Warranty does not cover abuse, misuse or damage from use of improper power adaptor.
- Warranty is not renewable and warranty period does not restart upon customer receipt of replacement unit.
- Customer must make claim via email (tillerteam@tillerfoundation.org) within 60 days of shipment date.
- Customer pays for return shipping. The Tiller Foundation pays for warranty shipping.
- **The Tiller Foundation cannot accept returned imprinted/used devices.**

OUT OF WARRANTY UED:

Out of warranty UED units can be returned for repair (if possible) or replaced at a 30% discount from current retail price. Customer is responsible for return and reship postage.

ELECTRICITY FOR NON-USA USERS:

The 120 Volt AC adaptor provided works only in North America. If your country's voltage is different, you will need a voltage converter or transformer appropriate to your country. You will also need an adapter plug to fit the power outlet in your country
